

# Free Education Sessions

**Most Ontarians feel a personal responsibility for reducing woman abuse and recognizing it is the first step.**

## Learn the warning signs

Visit [www.neighboursfriendsandfamilies.on.ca](http://www.neighboursfriendsandfamilies.on.ca)

- At least 80% of domestic violence homicides are preceded by warning signs.
- In most tragedies, the key people who know the couple, their neighbours, friends, family and co-workers, report there were warning signs present.

To book a free Neighbours, Friends and Families information session for your workplace, service club, or community group, email [ACDV@canada.com](mailto:ACDV@canada.com) or call the Safe Communities Partnership for more information at 759-2548.
